Dec 10, 2020

Dear students,

Seasons' greetings to all of you !

Hope you and your family members are safe and healthy. These are unusual times but we have always tried to give you best of learning experience. We are sure that you are enjoying your MBA program @ Chitkara Business School.

You are approaching your Winter Internship as a part of your Trimester II starting from 11th December 2020. The purpose of winter internship during ongoing Pandemic situation is to expose you to research through secondary data/extra certification opportunities and project report writing. We are sure that you will find it interesting and exciting while learning new skills during winter internship project.

Go through the details attached.

Wishing you all the best !

 Sandhir Sharma, Ph.D.
Dean, Chitkara Business School
