About the Activity

This was a counselling session especially designed for MBA students of batch 2020 attending one-year Global MBA program at University of Wisconsin Parkside, USA. These students completed their first year at Chitkara Business School MBA program as a part of batch 2020 and now will complete their second year at University of Wisconsin Parkside, USA. The session included briefing on their travel plan, academic plan at USA, logistics, and campus related activities.

Activity objectives and Outcome achieved

S.No	Objectives	Outcomes
1.	To sensitize students on pre-departure preparations.	Students were counselled on pre-departure preparations in terms of travel, Covid precautions, expense management etc.
2.	To make students aware on pre-arrival preparations at UWP, USA.	Students were counselled on US arrival procedures, documentation procedures, local travel and other arrangements.
3.	To counsel students on various social issues while migrating from India to USA.	Students were informed on Dos and Don'ts at USA and on campus from social angle.
4.	To support students with information regarding UWP campus for smooth induction.	Students were apprised on campus facilities at UWP, USA

Students while interacting with Office of International Affairs, UWP, USA and Team members from Office of International Affairs, Chitkara University during the counselling session
