Event	**World Environmental Health Day**
Date	26th September, 2023
Number of Participants	22
SDG covered	3 & 13

"Nurturing the Environment on World Environmental Health Day".

Planting for a Sustainable Future!

Chitkara Business School celebrated World Environmental Health Day on September 26, 2023, by planting trees at a government school in Ram Nagar, promoting environmental awareness and sustainability. This initiative engaged students and faculty in nurturing a greener planet and educating young minds about environmental responsibility.
