About the Activity

A two days career counselling session was organized for the students of B.Com and BBA Fintech Batch 2021 themed “Demystifying Filing Income Tax Return.” The main objective of this session was to make students familiar with the process of filing return of income via the designated portal. The aim of this session is to make students able to file their income tax return on their own and understand the working of income tax portal. The session was progressive conducted with a view to students first go through the basics of the process of filing Income Tax Return starting from registration process, if not registered and then login and choose the requisite income tax return. Knowledge about various saving and investment s avenues available under the Income Tax Act were given. Students were given practical involvement by visiting the income tax portal thus facilitates experiential learning and they themselves get to know about the various pages given on the portal.

Aligned Activity Outcomes with Objectives

Activity Objectives	Activity Outcomes
1. To guide students how to register on E- portal of income tax return and login to their ID	Students got themselves registered and login to their ID.
2. To help the students file the income tax return on their own along with basic knowledge of saving and investment avenues	Students took the benefit of saving and investment provisions available in income tax act and thereby file their income tax return.
3. To make students aware about related courses on Filing Income Tax Return	Students came to know about the requisite recognized study courses which incorporates the said topic in their course content.
4. To make students aware of Repercussions and legal implications of not filing Income Tax Return.	Students gt to know about the legal implications and thereby made aware about the penal provisions in case of violation, if any.
