<b>Name of the Moderator</b>	Dr. Kiran Mehta	<b>Time</b>	9.30 a.m.- 12.00 noon
<b>Name of the Resource Person</b>	Ayush Bajaj	<b>Mode</b>	Offline
<b>Nature of the activity</b>	Career Counselling Session	<b>Program &amp; Batch</b>	MBA (Finance & Banking)
<b>Number of students participated</b>	70	<b>Academic Session</b>	2021-22

### About the Activity

In this session, the expert discussed conceptual as well as the practical knowledge required by an expert in the debt market. He also discussed the size of the corporate bond market and the number of issuances each year that are crucial measures of the effectiveness of the government's and regulators' development efforts. Over the years, there has been a continuous growth in the mobilisation of resources via the corporate bond method. Focus must be placed on enhancing the supplementary repo and derivative markets, diversifying both local and international investor bases, and enhancing the access of borrowers at the lower end of the credit spectrum. The expert further disseminated the knowledge regarding analytical skills, consistency and self-control, and ethical practices required for retaining records.
