#### About the Activity

During the GBVM 2021, Professor Arturo was introduced to the students by Dr Balpreet Singh, He during his lecture on day 1 talked about the importance of human being and characteristic that a human inculcate. He furthermore discussed the human values in terms of dignity and also stressed on the 3 aspects of dignity that are Recognition, Love and Respect. Further, professor introduced the topic of Ethics, Morality and Values to the students. Later during the session the discussion about the Ethics and Morality continued with a focus on the deliberation on the topic of the difference between the two and what are the different sources of deriving morals and values for a human being. During the last day of the GBVM 2021 professor distributed the students into various groups and discussed about which values are more important for students. The students participated enthusiastically.
