About the Activity

During the Global Business Week 2022 Prof. Mike McMullen was introduced to the students by Dr. Gaurav Katoch. Dr. Mike McMullen is a Professor of Sociology in USA. He is the Associate Professor of Sociology at University of Houston.

Prof. Mike McMullen interacted with the second and third-year students of B.B.A and LSCM) during Global Week 2022. He taught Leadership and Conflict Resolution in Workplace to the students. The objective of this 15 hours course was to provide Undergraduate Business students with a comprehensive introduction to conflict resolution for a good understanding of the fundamental rules and main issues in this area. He explained that an Workplace conflict includes any type of conflict which takes place within a workplace or among workers and/or managers, potentially including conflict between employees out of work hours. It is a broad concept that includes several types of conflict that are normally treated separately, including employment conflict and labor-management conflict. An assignment, divided into a theoretical part and a practical part, was organized on the last day of Global Week 2022.
