About the Activity

The first day of the session started with an excellent introduction of the geographical and demographic characteristics of India. The students were acquainted with the developments and advancements in Indian history. As the VAC proceeds, the moderators helped students to familiarize with the cultural vividness of India, its spread and diversity as well as implications of various cultural practices in day to day milieu. The philosophy, society, and religions of India and various Indian languages were elaborated in detail. The ancient Indian literature was explored during the course. Furthermore, the humanistic and ethical values were inculcated in the students with high spirits. The moderators also discussed the historical and cultural perspective with their significance in globalized business environment. The ultimate aim of the VAC is to foster within the students progressive thinking by gaining social skills essential for lifelong learning, adapt, be agile in mind, imbibe socio-cultural sensitivity for responsible citizenship. The students acquired knowledge of India's intricate business prospects and difficulties in the twenty-first century. Students were also able to examine the rich tapestry of ancient Indian literature, talking about its salient characteristics and its significant influence on the social, cultural, and economic spheres of the nation.

Aligned Activity Outcomes with Objectives

Activity Objectives	Activity Outcomes
1. To demonstrate the knowledge and understanding of contemporary India with its historical perspective.	Students were able to understand contribution of ascendants in the areas of philosophy, science, arts, music, and architecture.
2. To recognize and appreciate the diversity in Indian cultural traditions, languages and religions with an insight on heritage of India.	Pupils proved their capability to identify and value the Indian cultural diversity.
