

Event Details	
Event Type	Faculty Development Program
Topic	Faculty Development Program on Excel and Data Visualization
Date	2023-08-07 to 2023-08-12
Mode	Offline
Organizer Name	Chitkara Business School, Chitkara University
No. of Participants	48
SDG No	SDG 4: Quality Education, SDG 9: Industry, Innovation and Infrastructure

Objective:

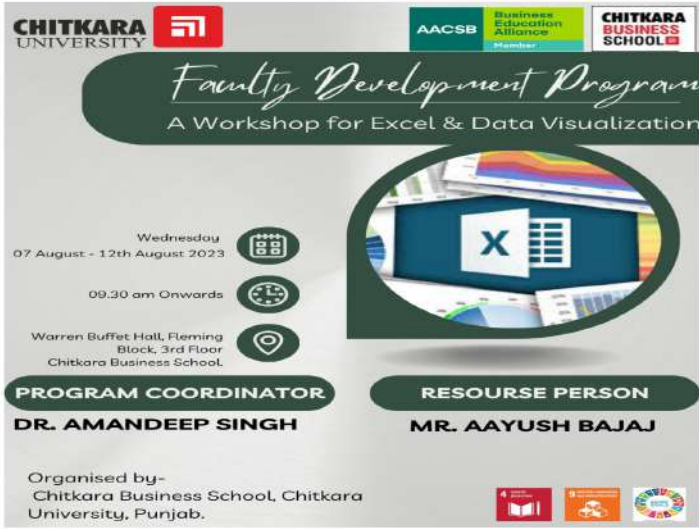

1. To Enhance Data Management Skills: Train faculty members in advanced Excel techniques to manage and analyze data efficiently.
2. To Promote Data-Driven Teaching: Equip participants with data visualization skills to create engaging classroom experiences.
3. To Improve Research Capabilities: Enable faculty to utilize Excel tools for impactful research analysis and data presentation.
4. To Provide Hands-On Training: Offer practical sessions for creating dynamic dashboards and interpreting complex datasets.

Description:

7.Chitkara Business School successfully organized a one-week Faculty Development Program (FDP) on "Excel and Data Visualization" from 7th to 12th August 2023, held from 9:30 AM to 12:30 PM in Warren Buffet Hall, Fleming Block, Chitkara Business School. The FDP aimed to empower faculty members with advanced skills in Microsoft Excel and data visualization, enabling them to utilize these tools effectively for teaching, research, and administrative tasks. The program provided participants with practical, actionable skills to enhance data analysis and visualization, ultimately fostering a culture of data-driven decision-making in academic and research settings. The sessions were led by Mr. Aayush Bajaj, a distinguished data analytics expert known for his extensive experience in Excel-based data handling and visualization techniques. His sessions offered a perfect blend of theoretical knowledge and hands-on training, covering topics such as advanced Excel features, data cleaning, visualization techniques, dynamic dashboards, and their application in academic contexts. The FDP witnessed enthusiastic participation and engagement from faculty members, who appreciated the practical relevance of the sessions and the opportunity to learn cutting-edge tools for enhancing their professional capabilities. This initiative further reinforced Chitkara Business School's commitment to professional development and academic excellence. The program concluded on a highly positive note, with participants expressing confidence in applying their newly acquired skills to improve teaching, research, and administrative outcomes. Chitkara Business School extends its heartfelt gratitude to Mr. Aayush Bajaj for his expert guidance and to all faculty members for their active involvement. This FDP marks a significant step forward in advancing the institution's teaching and research capabilities, paving the way for innovative academic practices and enhanced learning experiences.

Outcomes:

1. Faculty members acquired advanced skills in Excel for data management and analysis.
2. Participants developed proficiency in creating compelling data visualizations to enhance their teaching methodologies.
3. Faculty gained insights into integrating data-driven techniques into their research and academic work.
4. The program fostered collaboration among faculty, encouraging the exchange of innovative ideas and best practices.
5. Participants expressed confidence in applying newly acquired skills to create engaging and impactful learning environments.
