**10. Write up of the event:**

The seminar on Global Pandemic and International Conflicts: Way forward for Indian Economy delivered by Dr. S.R. Keshava divided the lecture into three parts which were Impact of Covid-19 on Indian Economy, Impact of International conflicts on Indian Economy and Way forward. The speaker address that Uncertainty is the only certainty in the international economic scenario at present, economy battling from Covid-19 now the Russia-Ukraine war, unrest in Srilanka, Pakistan, Peru etc. Unfortunately, much before second wave is complete the third wave in the form of Delta Plus, Omicron spread rapidly, now under threat of XE Variant which is called

as recombinant, "XE new variant is a combination of BA.1 and BA.2 strains of Omicron is responsible for enhanced viral transmission as per the primary reports," Due to War, demand and supply fluctuations leads to a difficulties Russia to Ukraine region, prices are increases due to decrease in supply. The speaker also discussed about the multiple sources of supply to the economy to be ready like- education, health insurance, removing casteism, removing corruption and encourage honesty, increasing tax base, eliminate poverty and effective implementation of policies and programmes. A total of 114 students participated in the seminar.
