BACHELOR OF EDUCATION (B.Ed)

ALTERING THE DNA OF **ALPHA** TEACHERS

SHAPING THE FUTURE GENERATIONS

THE TEACHER EDUCATION ADVANTAGE: A HIGH QUALITY, JOB-FOCUSED, HANDS-ON EDUCATION EXPERIENCE AFTER BACHELORS

Established in the year 2003, Chitkara College of Education is approved by National Council for Teacher Education (NCTE), Jaipur, and duly recognised by the Punjab State Government. We aim to provide an exemplary stepping stone to the budding teachers' future success through a concrete grounding in requisite skills and knowledge, which is channelised towards striving for teaching excellence and creating exceptional leaders to transform the educational realm.

At Chitkara University, our National Council for Teacher Education approved B.Ed program has been designed to prepare Educators for the 21st Century schools in collaboration with leading K-12 schools. Our uniqueness lies in strong internship opportunities through the program where students learn to link theory & practice, and acquire necessary skills to teach effectively in a range of classroom situations.

Our Education program specialises in various teaching subjects and few of them are:

- Commerce
- Mathematics
- Fine Arts
- Social Studies
- Home Science
- Life Science
- English
- Science
- History
- Economics
- Music
- Psychology
- Hindi
- Computer Education
- Physical Education
- Geography
- Punjabi

**LEARN TO FUNCTION AS AN
αLPHA TEACHER
WITH OUR PROGRAM, MODULES AND
STRUCTURE**

EDLearner: This module shall acquaint the α Teachers with the various aspects of growth and development at different stages, recognise the students on the basis of type and trait theories and differentiate among the learners based on their cognitive abilities (to know the learning styles of the learners).

EDSocial: The continuing evolution of our egalitarian society and peaceful transformation of the nation needs to be understood by the α Teachers. In line with the same, EDSocial enables them to effectively discharge their role in society with numerous diversities. The α Teachers are also required to understand the role of education as an intervention tool for desired changes in the country and also to appreciate the influence of social set-up on education in which it operates. The focus of this module shall also be on making the α Teachers understand the key concepts of gender and the paradigm shift from women's studies to gender studies.

EDMentor: This module shall provide the α Teachers with exposure to global and national commitments towards the education of children with diverse needs. EDMentor would help the α Teachers become proficient in providing mentorship to the Generation- Z and Generation - α Learners. They will be able to use Guidance and Counselling principles to address the peculiar needs of the Generation- Z and Generation - α learners.

EDExpert: The α Teachers shall get acquainted with the terminologies of Assessment and Evaluation. They shall also develop the formative and summative tasks, analyse the levels of learning on the basis of Bloom's Taxonomy, develop the skill of constructing the Rubrics, the skill of performing the invigilation duties, conducting various competitive examinations and performing the Pedagogical Analysis keeping in mind the method, strategies, techniques, and evaluation strategies. They will also receive Knowledge of Curriculum Development which is imperative for appropriate selection and organisation of learning experiences.

EDTutor: The focus of this module is on gaining a 'feel' of the multiple roles of a teacher and an understanding of the 'school culture'. The students get an experience of handling the classroom problems. They also get exposure of working as Assistant Teachers at reputed educational organisations, the students gain rich experience related to organising school visits and various inter school events. This module shall focus on making the α Teachers self-learners, reflective, expressive, collaborative professionals, and digitally competent.

EDValue: The α Teachers, in this module, shall become proficient in communication and know the significance of Health and Physical Education. This module shall also acquaint the α Teachers with the basics of Paper Presentation, Report Writing, and Action Research. The α Teachers shall be made aware of the issues related to the environment, Community Work, and a plethora of Co-curricular Activities.

EDValue:

Language Proficiency, Health and Physical Education, Case Studies, Symposium, Research Conferences, Paper Presentation, Report Writing, Action Research, Issue of Conservation and Environment Regeneration, Art and Aesthetics, Community Work, Co-curricular Activities

EDTech: Technological advancements have had a dramatic effect in every sector, including the education sector. α Teachers must know technology well in order to survive and flourish in an ever changing world. This course will equip α Teachers with knowledge of the latest Technology and Software in the education sector. The α and Z generations are tech-savvy generations and technology has become an integral part of their lives. This course will focus on helping the α Teachers create an online environment where e-Learning is more engaging and enriching. They will get acquainted with various library and digital technologies and imbibe technology-related knowledge in their students as well.

Library and Digital Technologies
Innovative Tools and Techniques in Teaching, Learning and Assessments
Developing an Online Content

EDTech

EDManager: The α Teachers shall get exposure to unfold the function of the teacher as a manager and shall learn to perform various duties like conducting the parent-teacher meetings, prepare for various co-curricular activities in school etc. The module shall sensitise the students about the administrative leadership in schools, develop the skill of record keeping and learn how to deal with human resources.

EDManager

Making Teachers Managers
Administrative Leadership in Schools
Organisational Behaviour
Feedback & Reflections

EDGlobal: The objective of EDGlobal is to familiarise the α Teachers with international curricula and the concept of educational internationalisation. The module accordingly aims to nurture skilled instructors, who have the expertise of teaching across national and international boards in schools. In this regard, the areas focused under the EDGlobal Module include soft skills, ICT skills, usage of Twitter, Facebook and WhatsApp for educational purposes, participation in Yahoo groups, creation of blogs, and student exchange programs.

Global Connect and Student Exchange
Education for Sustainable Development and International Aspect Activities
Shaping for IB, IGCSE & other National & International Boards

EDGlobal

EDProfile: This module shall grill the α Teachers for facing the interview panel, drafting Resume, imbibing the Skills for Placement, constructing e-Portfolio etc. These will eventually help them in getting an exposure to career guidance.

EDProfile

Human Resource Management in Schools
E-Portfolio Construction
Interview Preparation
Career Guidance and Placements

TEACHER EDUCATION

B.Ed @ CHITKARA COLLEGE OF EDUCATION

The Bachelor of Education (B.Ed) program at Chitkara College of Education has been designed to nurture the α Teachers to become facilitators and to create the understanding of using innovative tools and techniques in teaching.

PROGRAM OUTCOMES

The 2-Year program in Education has been meticulously developed, and is effectively delivered by highly qualified faculty and is in sync with Sustainable Development Goal-4 and NEP-2020. Listed hereunder are the outcomes of the B.Ed. Program:

- Identify and analyse different functional areas of the school culture.
- Communicate effectively to articulate thoughts and ideas proficiently to a wide range of students.
- Able to apply appropriate technological skills and adapt to latest innovations in technology with ease.
- Ability to become lifelong learners and collaborative professionals.
- Apply the innovative pedagogical techniques for differentiating teaching as per the needs of the learners with good analytical skills.
- Quality of accepting all children as mentee and fostering the concept of inclusiveness.
- Sensitive towards the societal issues, give significant importance to community work and value issues related to conservation of environment and its regeneration.
- Apply social awareness skills to resolve social issues and bring transformation in society.
- Use the knowledge of values and beliefs of multiple cultures, respect diversity in multilingual scenario, understand the significance of global connect and develop competency as per global needs.
- Apply analytical and critical thinking skills for decision-making in a complex educational world and possess good managerial skills.
- Demonstrate core ethical values of the profession such as honesty, dignity and respect.

OUR PEDAGOGY

Our unique pedagogy involves various innovative teaching, teaching-learning, assessment tools and techniques used during two years of enriching experience, which ultimately is bestowed upon our α teachers to apply in their respective classes once they start functioning as teachers themselves.

The Degree program prepares α Teachers for real classroom teaching and offers opportunities for practical, hands-on experience and extended internship. Take advantage of this experience to gain practical skills employers are looking for and open various avenues to career opportunities. Academics at Chitkara College of Education keep pace with workplace demands and ensure that students are 'work ready' and in touch with what is expected by the Generation-Z and Generation- α Learners.

We deliver all our programs through various modes but primarily through faculty teaching, online, offline, guest faculty, teaching practice mode, etc. Some innovative pedagogical practices used are: Flipped Learning, Project-Based Learning, Story Telling, Blended Learning & Comic Strips.

CHITKARA
UNIVERSITY
COLLEGE OF EDUCATION

OUR EDUCATION PROGRAMS ARE INNOVATIVE AND COMPREHENSIVE

Altering the DNA of α Teachers & Masters were envisioned to meet the growing concern that teacher education program has remained unchanged in terms of substance, experiences offered and modalities adopted. It is a response to the need for well-prepared teachers in terms of 'quality', which is the essence of the teacher education program.

The entire structure of the Teacher Education Program has been revamped and redesigned in order to alter the DNA of existing teachers so that they can cater to the diverse needs of the 21st Century learners, who have higher levels of digital literacy than their parents or teachers, and demand the freedom to show their profound creativity. The 21st Century learners also termed as Generation-Z and α Learners (born after 1995) need to be catered differently.

In order to meet the varying interests of the Generation-Z and α Learners the concept of α Teachers and Masters was envisioned, who would be trained to build an effective learning environment for the students and require the following skills to facilitate the above mentioned interests:

- Technical Skills
- Conceptual Skills
- Interpersonal Skills

The envisioned α Teachers and Masters are being trained to meet the needs of the future generations by following a cutting-edge pedagogy in the field of Education, like engaging & exposing the α Teachers and Masters to Google Classrooms, Webinars, Student Exchange Programs, etc. along with facilitating rigorous internship in the Associate Schools. Workshops are also organised to keep them updated with the latest developments in the field of education. Regular field visits are also organised keeping in mind the close connection between the school and the society. We believe, the evolved α Teachers and Masters would henceforth shape the future generation by taking the learners to the zenith of learning.

The Teacher Education programs which are divided into semesters, provide intensive field engagement of the students with our learning modules. The training is provided to the educators in close collaboration with the schools during which they receive coaching and mentorship from Program Curators of Chitkara College of Education. The hands-on training is supplemented with expert talks by professionals from across the country so that the students enter the teaching profession with skills and dispositions to help them become successful teachers while receiving mentorship and training from the program curators.

INDUSTRY ACADEMIA COLLABORATIONS

Chitkara University offers a learning experience that improves students' employment prospects. We maintain close links with leading blue-chip companies, professional associations and educational institutions to deliver most of our academic programs. Strong corporate relationships also have a direct influence on our degree programs and have resulted in our "industry ready" curricula. This ensures that our education is up-to-date and valued by the future employers of our alumni.

Chitkara College of Education stays in touch with industry, ensuring that our courses are relevant, practical and deliver the skills in demand allowing our α Teachers and Masters to hit the ground running. Some of our leading industry/school collaborations are:
