Chitkara kept up its tradition of treating its Alumni with grand Alumni Meet and for the very first time conducted a grand event at the 'Hard Rock Cafe', Pune on Dec 10, 2016. The event was a huge success and there were an overwhelming number of alumni who made it a memorable event. The alumni were invited to lend their support in inventive ways – to be mentors, help secure an internship, be a guest speaker and donate that would help to shape the future of this great University. The event included some interesting ice-breaking activities after which the crowd took a trip to memory lane and revisited their time at the University. The Afternoon turned into a high energy party that soon engulfed everyone. The music, dance and lots of catching up those memorable moments made the party a thrilling event. The fun and excitement of the party was visible on every face and it led to some emotional moments as well.

Reminisce 2017 Chandigarh Chapter

Next Alumni Chapter was organized in Chandigarh at FLYP@MTV Café on May 27, 2017. The Alumni meet was indeed a chance to reconnect the Alumni with their Alma Mater. It allowed them to relive the carefree days of their college lives taking a fascinating trip down the memory lane that gave our alumni an opportunity to see old friends again and catch up with them. They came across places and stories that were almost forgotten. Some things changed, some stayed the same and it was a pleasure see them share their experiences after they left the pedestal where they learnt to dream and achieve.
