LEPROSY DAY CELEBRATION

Date: 29 January, 2018

World Leprosy Day is observed internationally on January 30 or its nearest Sunday to increase the public awareness of the Leprosy or Hansen's Disease. This day was chosen in commemoration of the death of Mahatma Gandhi, the leader of India who understood the importance of leprosy. On January 29th our BSc Nursing final year students of Department of Nursing have given health talk on awareness of Leprosy, its signs and symptoms, early diagnosis, dietary management, follow up and preventive aspects in rural community area Kalomajra under the supervision of Mrs. Lija Mathew , Mrs. Ankita and Mrs. Supreet. Leprosy is one of the oldest recorded diseases in the world. It is a chronic infectious disease that targets the nervous system, especially the nerves in the cooler parts of the body-the hands, feet and face. Thus our Chitkara students took a positive step towards Leprosy Eradication Program. **Total No. of Participants : 35**

Annual Global Youth Peace Fest-GYPF and its 'Global Youth Peace Forum' is a unique youth campaign to spread Mahatma Gandhi's universal message of living in peace and harmony with man and nature alike. To promote global citizenship, spirit of volunteering and inspire 'CHANGE', young people are brought together during annual GYPF to connect them beyond nationalities, religious & economic backgrounds. GYPF is an amalgam of inspirational peace-talks, creative workshops, cooperative-games, action-based activities, volunteer action, building cross-cultural relationships, cultural festivities and neighbourhood walks. The theme and slogan of GYPF-2017 was Leave No One Behind. Recognizing that the dignity of the human person is fundamental, it was wished to see the goals and targets met for all nations and people and for all segments of society. It was an endeavour to reach the furthest behind first (2030 Agenda for Sustainable Development). Enthused by the role played by young people in creating an alternative narrative revolving around peace, it was planned to strengthen a Global Youth Peace Forum - a platform for young leaders and change makers to actively seek out and support their meaningful participation in cross-border peace building activities. Total five students participated in the event.

CELEBRATION OF WORLD ENVIRONMENT DAY

Date: 1 June 2018

Moving further with its World Environment Day Programme based on the theme “Beating Plastic Pollution”, NSS department, Chitkara University, on Day 3 visited Government Senior School, Jansla, an adopted village under the shade of Chitkara University. It was put in order with the aim of spreading the awareness about the need to save the environment and to replace the non-biodegradable substances with the biodegradable ones. Plastic is a material that takes years to vanish and during that course it causes various issues like land pollution, water pollution and air pollution. Students were made well acquainted with the ill effects of usage of plastic that harms the environment. They participated in Paper Bag Making, where they put in use the recyclable material thereby taking a step towards preserving the environment from plastic bags. Eliminating plastic pollution is the best solution to save the environment. Ms. Neelam, Programme Coordinator, NSS appreciated their efforts and motivated them to keep up the good work. Total forty students participated in event.

RETAIL PROJECT

22-06-2017 to 30-06-2017

70 MBA Marketing students of Chitkara Business School got an excellent opportunity to experience one of India's largest shopping fests "Big Bazaar "Sabse Saste 5 Din". This is an annual activity at Chitkara Business School wherein students of Marketing are assigned to Retail Project to get hands-on experience of managing customer, retail business, inventory, etc on the real grounds.

The students were part of the sales team of the store and experienced selling and marketing from a different perspective. This experiential learning experience was a perfect blend of knowledge and fun. Students showed immense vigour and in many cases overachieved their targets. Two students from France also participated in the event and learnt retail the Indian way. Big Bazaar management appreciated the efforts of the students and congratulated them for their support to make this event even bigger. At Chitkara Business School, we are committed to providing such opportunities to our students.

THEME LUNCHES ON SOUTH INDIAN

Date: 28th March, 2018

Group-A, 35 students of Sixth semester Bsc HA organized special lunch on the theme “Southern Food Trail” on **28 March 2018**. The restaurant was very well decorated with soothing light effects and artifacts displaying the tradition, culture and lifestyle of people from southern India. The menu was well designed and encompassed the flavors of different and unique delicacies of southern India. Kokum Sherbet was the welcome drink followed by a wide selection of salads featuring the traditional Missal Channa Chaat. The soup section had a tantalizing offering of the popular Tomato Rasam. Amongst the starters were Masala Wada, Poha Tikki, Potato Chops and Oothappam. For the non-vegetarian palate, the main course featured the traditional Chicken Chettinad and Fish Caldin with a modern improvisation and twist from the student chef team. The vegetarian main course had a generous choice of seven dishes featuring Paneer Pepper Fry, Vegetable Stew, Murungakkal Sambhar to name a few. The guest loved the Malabar Pranthha, Poori and Goan Poie served as choice of breads. The student Chef team improvised and showcased a live counter of Idli, Bhel Puri and the popular “1 Meter Chai”. Amongst the desserts, Shrikhand, Mysore Pak, Rawa Kesari and Sevian Payasam were a big hit.

All the guests had an enjoyable afternoon lunch backed by efficient service and live music by students. Amongst the special guests dinning for lunch were the Chancellor, Chitkara University Punjab & Himachal Pradesh Honorable Dr. Ashok K Chitkara and Pro Vice Chancellor Dr. Archana Mantri. They enjoyed the dining experience and appreciated the efforts made by the students.

CELEBRATION OF INTERNATIONAL WOMEN DAY

Name of Scheme: Chitkara University Social Responsibility (Workshop On Right To Life, Right To Liberty-A Gender Equity)

Date: 8th March, 2018

Kofi Annan once Said, “Gender equality is more than a goal in itself. It is a precondition for meeting the challenge of reducing poverty, promoting sustainable development and building good governance.”

Bringing more light to the importance of Gender equity, a one day workshop on “Right to life Right to liberty –A Gender Equity” with theme “Time is Now: Rural and urban activists transforming women’s lives” has organized successfully by Chitkara College of Pharmacy Chitkara University, Punjab on 08.03.2018 under the supervision of Dr Sandeep Arora, Director CCP.

A total of 120 students & faculty members of the university participated in the event. Expert talk on the topic “Overcoming the effects of Gender Bias” was delivered by Dr Balwinder Kaur, Head QA, Sentis Pharma. Dr. Balwinder kaur, Dr. Rupinder Sodhi, Dr. Sonia Dhiman, Dr. Rajwinder Kaur, Dr. Rakesh Kumar, Dr. Balraj Saini and Ms. Loveleen Kaur participated in the panel discussion on the occasion. A wide range of insights were taken into account during the panel discussion and a lot of challenges faced by women had been discussed and appropriate changes were proposed. Gender wage gap, basic conditions of employment and prevention of unfair discrimination were the main subjects of discussion. In Hollywood, in the news, in classrooms and in boardrooms, important and historic conversations are taking place. The narrative surrounding gender equality, a conversation seemingly as old as time itself, has taken center stage in the global consciousness bringing new eyes and a new generation of leaders and advocates to the fore. If reduction in poverty, sustainable development and good governance are the goals for every country then GENDER EQUITY is the means to get there. This workshop was successful in providing the necessary tools and tips to effectively incorporate various considerations for achieving gender equality.

CUSTOMIZATION OF SERVICES

Date: 28th November 2017

We live in a world where everyone wants it “their way,” and individuals anticipate the organizations to deliver customized alternatives. If you want your business to expand in this competitive environment, you have to fine tune into what your rivals are doing and afterward make sense of how you can offer something progressively explicit to your clients. Now days, buyers seek good products but a far better quality of service and everything to fit their individual preferences.

Users can adapt a product or service to their own preferences, exercising control over their own experience. It can increase their happiness and their engagement.

54 Students of MBA S&M (Retail Management) elaborated the benefits of offering customized services to the retailers of Jhansla village. Few key points which were covered during the visit were:

- Charge More: Added customization allows you to charge more for products because people understand the setup is more intensive than a standard approach.
- Build Customer Loyalty.
- Make Items More Attractive.

Students of CCSM elaborated the use of service customization to the local vendors to elevate sales (28th November 2017)

ENHANCING PAYMENT OPTIONS IS BENEFIT FOR MERCHANTS

Date: 8th December 2017

Payment system directly integrates to your point of sale and delivers a robust payment experience for both merchant and customer. It connects merchants to a total payment ecosystem, from merchant services to remote terminal solutions, to hardware procurement. 12 Students of MBA S&M visited Panchkula for introducing the modern payment systems and elaborated the benefits of using it.

Modern payment system enables you to provide:

1. Complete Payment Flexibility
2. Revolutionary Pricing
3. Get Paid Faster
4. Secure Payment and POS Integration
5. Remote Terminal Management
6. Lower Operational Costs
7. Access to Premium Payment Services

There are many reasons why it makes sense for a small business to accept electronic payments:

1. Reach more customers.
2. Sell more
3. Enhance security
4. Increase Productivity
5. Meet consumer demand for a consistent experience across sales channels.

ENHANCING TRADE SKILLS

Date: 3rd May 2018

The purpose of any business is to bring in customers, and it can only be accomplished through marketing. If your cash registers don't ring, something is wrong and you had better find out what is wrong fast. Because in today's competitive retail world... getting results is what counts.

Successful retailers aren't any more talented or intelligent than you are -- They simply have learned to do things in a different way and make money in the process. So, students of MBA S&M (Retail Management) turned to the nearby community to make people aware about the importance of latest technologies and trends in retail sector.

Tips for Enhancing Trade

- Rethink your pricing (Competitive Price, Geographical pricing, Utility based pricing)
- Connect with Customer (Offline and online)
- Host a promotional event (Contribute to Society to make people aware)
- Use social media (An effective technology in retail for promotion)
- Create a beautiful store (Aesthetics and Ambient)
- Introduce digital payment options to attract youth

SAVE WATER- SAVE BIRDS

Date- 15 October 2017

For the Past few years the population of House Sparrows has been declining rapidly. Thus it's important to not only identify the causes that challenge the survival of different species of birds, but also to come up with solutions that people can apply at both individual as well as community level. Therefore Chitkara school of Mass communication and around 30 NSS volunteers took initiative by setting up bird feeder in gardens, parks and such places that can attract different species of birds. Bird feeders may become their prime food source and play an important role to their survival.

**PREPARATION OF RURAL DEVELOPMENT PLAN- FATEHPUR GARHI,
PUNJAB**

Date: 6-Feb-2018 to 10-April-2018

As part of Architecture Design Studio, students of 6th Semester B.Arch. of Chitkara School of Planning and Architecture (CSPA), have taken up a project aimed at 'Rural Development Plan- Fatehpur Garhi village, located nearby Chitkara University, Punjab. The project is being conducted under the supervision of a team of faculty members, namely Ar. Shruti Behera, Ar. Pradeep Singh maan, Ar. Shaffali Joshi, Ar. Aarti Rana, and, Ar. Prayashi Baruah, along with visiting Faculty Ar. Chanpreet Singh, Ar. Aman preet Sohal, Ar. Ravipreet Sandhu. Total 117 students of 6th semester batch 2015 were indulged in the activity.

The objective of the project, thus, is to sensitize CSPA students to the ground reality of India's rural environments and to build special attitudes and skills for creating appropriate, context-responsive designs for such situations. The project continued till the end of the current semester and comprises various stages, such as identifying unique attributes of the chosen case study, i.e., Fatehpur Garhi, through study and documentation of its settlement pattern, design and usage of public/open spaces, design of various types of buildings, construction systems, etc., as well as detailed household surveys and other forms of interaction to identify need-based development issues within the village. The results would be analysed for formulation of design project (s). The project would end with various Design Proposals.

The students at CSPA had been continuously working on to bring the light to the architectural gems of the north zone. This year, a new group of budding architects from 6th semester worked on the city of Narnaul (Haryana) under the guidance of 8 faculty members and our Dean, Prof. Kiran Joshi. The intent and the scale of the project was to document the entire city of Narnaul where the students have prepared the inventories of all the historic buildings in the city including various building typologies. Later on the detailed documentation work was carried out on 8 different sites. The intent was to understand the traditional water management systems and the residential structures built in response to the climate of the region.

8 ds intensive site exercise was carried out with an aim to create awareness, sharing stories and transferring the knowledge between generations. The students and faculties were divided into eight groups where they worked on different sites and prepared the measured drawings for 4 havelis (residential structures) and 8 water structures. The work done on the site is now under the process of being completed in the form of detailed drawings which will add on to the CSPA's database of unknown architectural heritage of the North zone. 117 Students of 6th semester batch 215 were indulged in the activity .

EXHIBITION LEARNING FROM THE LEGACY OF HISTORIC TOWN NARNAUL

Date: 18-April-2018

In keeping with Chitkara University's mandate of inculcating "Pride for our heritage in our students", Chitkara School of Planning and Architecture undertook an annual exercise of documenting the lesser-known historic buildings and towns of our region and, then displayed the work done on the 18th April, a day celebrated the world over as the "International Day for Monuments and Sites" or the "World Heritage Day". 117 students of batch 2015 participated in the event. This year, we chose Narnaul, a historic city located in a hot-arid zone of the Haryana province of NW India. The focus was on understanding the traditional wisdom of water management and climate control systems through a study of its numerous "water structures" and "traditional havelis". The Exhibition had 57 A2 sized sheets, with detailed drawings, photographs and other graphic material produced as a result of the 10--day intensive documentation studio held at the site. The work was produced by 120 students of 6th Semester and 6 faculty members under the full support and guidance of Director CSPA, Prof. Kiran Joshi.

The Exhibition was inaugurated on the 18th April at 12.15 pm by Dr. Shikha Jain (State Convener, INTACH Haryana) and Ar. Vijay Garg (Vice President, Council of Architecture) in Bernoulli hall, Turing Block, Chitkara University, Punjab Campus. Honorable Chancellor of Chitkara University, Dr. Ashok K Chitkara graced the occasion with his presence.

CELEBRATION OF WORLD HERITAGE WEEK

Date: 24th November, 2017

A Visit to Government Senior Secondary School, Jhansla

Day One: November 22, 2017

A team of 80 NSS Volunteers comprising five students of 3rd semester namely Mitesha, Hitesh, Gagandeep, Meenal and Anshpreet and teachers of Chitkara School of Planning and Architecture visited Government Senior Secondary School, Jhansla during the Heritage Week.

Students had prepared a two-hour interactive lecture-cum-discussion on value of our natural built and cultural heritage, its significance and the need to conserve it for the students of class 11th and 12th of the school. Around 30 students attended the session which included question and answer round in which students participated with lot of interest and enthusiasm.

The presentation which was appreciated by the participants included mention of famous World and Indian Heritage sites including Punjab. Summing it up, the students highlighted about Qila Mubarak, Patiala as an important Heritage Site of Punjab and interacted with the school students for further activities to be conducted.

A Visit to Qila Mubarak, Patiala

Day Two: November 24, 2017

On the 2nd day of the Heritage week, the students of 3rd semester along with faculty members Asst. Prof. Swati Sharma, Ar. Manisha Jaidka, Ar. Ravi Sandhu and Gurpreet Singh accompanied the students of Government Senior Secondary School, Jhansla to Qila Mubarak, Patiala. The visit, conducted on 24th November 2017, was planned as a part of CSPA's NSS activities and Global Heritage Week celebration with the purpose of making the students aware of India's rich cultural heritage and its importance.

Leading the visit, Ar. Ravi Sandhu directed the students around the residential palace of the royal family of Patiala and educated them about its various historical as well as architectural aspects. The students from Jhansla, who were visibly enthusiastic about the outing, also exhibited keen interest in gaining knowledge about the facts and myths of the fort. They were seen interacting with the CSPA students and teachers, sharing their views about the place and getting acquainted with the significance of such sites.

Apart from learning about the history and architecture surrounding the fort, the students realized the importance of heritage and the need to conserve it for generations to come. With the idea of 'building a future for the past', while creating awareness about our nation's varied heritage, CSPA was able to make the students of Government Senior Secondary School pledge their responsibility towards its conservation and might as well have inspired a few of the them to pursue a career in this field.

BLOOD DONATION CAMP

Date: 16th February, 2018

Human blood is universally recognized as the most precious and essential element of human life.

National Service Scheme, Chitkara University, Punjab organized a 'Blood Donation Camp' with an aim of donating approximately 500 units of blood in a day in association with Department of Computer Science Engineering, Department of Mechanical Engineering, Department of Electronics and Communication Engineering, Department of Computer Application, Department of Applied Sciences, Chitkara School of Health Sciences and EPIC Youth Club in collaboration with PGIMER, Sector 12, Chandigarh and Rajindra Hospital, Patiala.

Hon'ble Vice-Chancellor, Dr. Madhu Chitkara added grace to the occasion, not only with her dynamic presence but also instilled enthusiasm amongst the volunteers and appreciated the donors for their spirit.

Last year on the same date i.e. 16th February, 2017, we aimed at donating 1000 units of blood in a year. And it was for the first time in the history of Chitkara University that 1000 units of blood were donated in a year out of which 500 units had been donated in a single day. The PGIMER team led by Dr. Hari Krishan Dhawan and the Rajindra Hospital team led by Dr. Jaspreet Kaur and Dr. Najinder Kaur were happy to see the ebullience amongst the volunteers. Ms. Neelam Verma, Programme Coordinator-NSS, thanked and appreciated the donors for coming forth and contributing towards the society through a noble act.

CELEBRATION OF INTERNATIONAL MOTHER LANGUAGE DAY

Date: 21st February, 2018

Chitkara College of Education celebrated the International Mother Language Day on 21st February 2018 with a theme, "Sustainable Futures through Multilingual Education (UNESCO)". 60 Students of B.Pharmacy, Pharma D, CSE and B.Ed, who come from different states like Bihar, Haryana, Punjab, Nagaland, Kerala, Mizoram, Jharkhand and Himachal Pradesh participated in various activities conducted by Alpha Teachers with a motive to promote awareness of linguistic and cultural diversity of Indian states. The activities ranged from paragraph writing, singing a song, writing idioms and phrases, to introducing oneself in their native language. Students also expressed their views in their own mother tongue which was a wonderful opportunity for the others to know about different languages, cultures and diversities in the country.

SWACHHTA ABHIYAN

February, 2018

Swachhta Abhiyan is a mission that started in the year 2014 by the Government of India to inculcate habit of cleanliness and godliness in rural as well as urban areas of the country. Keeping this in mind, Chitkara University, Punjab joined hands to raise awareness about the mission. Various Awareness talks were carried out with the residents of all the adopted villages by NSS volunteers. The 48 volunteers conducted door to door survey in village Jhansla to understand the ground level understanding of the mission, helped residents resolve the problems and carried out cleanliness drive at Chitkara University, Punjab.

OATH TAKING CEREMONY ON DRUG ABUSE PREVENTION

Date: 23rd March, 2018

“What you are today, is the reflection of your past actions.

What you will be, will depend on what choices you make today.

Take the right alternative and be proud of yourself.”

NSS Department at Chitkara University, Punjab organized an oath-taking ceremony on Drug Abuse Prevention. It was a matter of great honour for us to be able to contribute to the society and pay respect to the great martyr **Bhagat Singh** on the eve of **Shaheedi Diwas**.

Dr. S C Sharma, Registrar, Chitkara University, Punjab graced the occasion with his presence and became the torchbearer for students to follow them and enthusiastically took part in the event. Col. Rakesh Sharma, Associate Director - University Affairs, motivated the students to come forth and take up a notion and be an example. Mr. Sanjeev Bhardwaj, Assistant Dean, Chitkara University, introduced and encouraged students to register with the DAPO app -an app for registering volunteers as **Drug Abuse Prevention Officer**. Col. C Jhamb, Director, Administration addressed the students and raised the allures of the occasion. Under the able guidance of Ms. Neelam Verma, Programme Coordinator-NSS, nearly 200 students came forth to be a part of the great cause.

BLOOD DONATION CAMP

Date: 13th April 2018

"If you're a blood donor, you're a hero to someone, somewhere who received your gracious gift of life. "

Just as how blood plays a vital role in life of a human being, in the same way Chitkara Business School (CBS) proved to be the savior in the hour of need.

On April 13, 2018, National Service Scheme and Seagulls Activity Club, CBS, Chitkara University, Punjab organized a Blood Donation Camp to contribute towards the society. It happened to be a very successful event as a significant number of faculty members and students came pouring in to be part of the good cause by donating blood. Approximately 100 units of blood were donated by the volunteers to Civil Hospital, Rajpura.

CELEBRATION OF WORLD ENVIRONMENT DAY
(Paper Bags Making)
Date: 28th May, 2018

**“Making changes with the way we live our lives,
We can help in preserving the environment.”**

Moving further with its World Environment Day Programme based on the theme “Beating Plastic Pollution”, Chitkara College of Education and NSS department, Chitkara University, Punjab visited Government Senior Secondary School, Jhansla. Jhansla is an adopted village by Chitkara University. The event was put together in order with the aim of spreading the awareness about the need to save the environment and to replace the non-biodegradable substances with the biodegradable ones. Plastic is one such material that take years to vanish and during that course it causes various issues like land pollution, water pollution and air pollution. They participated in Paper Bag Making, where they put in use the recyclable Students were made well acquainted with the ill effects of usage of plastic that harms the environment material thereby taking a step towards preserving the environment from plastic bags. Eliminating plastic pollution is the best solution to save the environment. Ms. Neelam Verma, Programme Coordinator, NSS appreciated their efforts and motivated them to keep up the good work.

WORLD ENVIRONMENT DAY
Theme: 'Beat Plastic Pollution'
(Tree Plantation)
30th May, 2018

**"If you save a tree, you save a life.
But if you plant a tree, you plant a life."**

World Environment Day is a campaign, celebrated every year on 5th of June in order to spread the public awareness all over the world towards the environment safety and cleanliness. It was established to bring some positive environmental changes across the world to make life better and near to nature. Chitkara College of Education and NSS department, Chitkara University, Punjab in collaboration with Punjab State Council for Science and Technology had the great honour to host 40 delegations from Pharma HealthCare Department, Kenya on the eve of World Environment Day. They helped in sensitizing the importance of Environment and aimed at global collaboration to preserve the same. Trees are earth's endless effort to speak to the heaven. Trees act as an active barrier against various kinds of pollution and regulate the water cycle. They aid in cooling down Earth's temperature which has been rising ever since the advancement in technology and over usage of fossil fuels. They help in maintaining a perfect balance in the Ecosystem. The experts actively took part in the event by making slogans, catchphrases and taglines that the trees would raise if they had the ability to talk just like mankind. Ms. Neelam Verma, Programme Coordinator, NSS extended a vote of thanks to the esteemed guests.

WORLD ENVIRONMENT DAY
(Best out of Waste)
31st May, 2018

**“Making changes with the way we live our lives,
We can help in preserving the environment.”**

“To really feel a forest canopy, we must use different senses, and often the most useful one is the sense of imagination”, Joan Maloof.

With this idea the World Environment Day Programme based on the theme “Beating Plastic Pollution”, Chitkara College of Education and NSS Department, Chitkara University, visited Government Senior School, Jhansla. The students participated in “Best out of Waste” activity, where they put in use the recyclable material thereby taking a step towards preserving the environment. It was an overwhelming experience for students to bring forth their originality in creating the best they could in the stipulated time. 25 NSS volunteers of College of Education participated in difference activities like Radio Skit, Poster Making and Slogan writing etc. Panel discussion was also arranged on the topic ‘How to save Environment on 107.8 FM Radio Chitkara. Tree plantation was also done by the faculty and volunteers. Ms. Neelam Verma, Programme Coordinator, NSS appreciated their efforts and motivated them to keep up the good work.

BLOOD DONATION AND SKIT PERFORMANCE

Date: 24th March, 2018

Chitkara university NCC cadets donate blood and perform skit at Thapar College Patiala. In this skit cadets bring attention on benefits of donating blood, which will bring harmony in the society. Blood donation is a voluntary procedure that can help save the lives of others. There are several types of blood donation, which help meet different medical needs. Millions of people need blood transfusions each year. Some may need blood during surgery. Others depend on it after an accident or because they have a disease that requires blood components. Blood donation makes all of this possible. There is no substitute for human blood – all transfusions use blood from a donor. **Total 30 cadets participates in this event.**

INTERNATIONAL YOGA DAY

Date: 21st June, 2018

NCC Cadets of Chitkara University practice yoga at PMN College Rajpura, Punjab. Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness.

Today it is practiced in various forms around the world and continues to grow in popularity.

Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131.

The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. **Total 30 cadets participate in this event.**
