5 REASONS TO CHOOSE CHITKARA UNIVERSITY

Chitkara University is the leading non profit private University in North India in different academic disciplines such as Engineering, Technology, Management, Healthcare, Education and Architecture.

Students from around the country are attracted to Chitkara University because of our commitment to teaching excellence, because we conduct research that makes a difference, because of our industry partnerships and because of our tailored courses.

1 Strong Academic Heritage : This University is a dream envisioned and realised by Dr. Ashok Chitkara and Dr. Madhu Chitkara, who are academicians dedicated to the mission of spreading Education and have created a learning environment that represents unique blend of distinguished faculty, brilliant and intellectual students with a proactive collaboration with industry.

2 We provide a great environment for study : We have a student population from all over the country. We recognize that world class infrastructure is an integral part of institutional, organizational, and service mission of the institution. Our campuses are designed to enhance teaching learning processes and we ensure it become second home for Chitkarians.

3 People who study here do well : We produce self-confident, well equipped, “jobready” graduates. We have established an unassailable reputation for very strong on-campus recruitments on the sheer virtue of our intensive focus on making all our graduates “industry ready”. We aim to provide resources to succeed in tomorrow’s changing global job market and are committed to help each and every student attain a position best suited to their long term career goals.

4 We are hands-on and responsive in the way we teach : Our degree programs focus on both academic and professional training. The entire teaching approach in our university is learning-centric enhancing knowledge, skills, and understanding through practical experience.

5 This is a place of opportunity : Whether you want to broaden your mind, advance your career, increase your knowledge, travel the globe or change the world, our university can provide you with the opportunity and real life skills to do it.
