NATIONAL SEMINAR ON

Advances and Regulatory Aspects for Pharmaceutical and Herbal Products

October 31, 2009

Organized by

CHITKARA COLLEGE OF PHARMACY

In association with

Pharmanext
A Pharma magazine for Generation Next
OBJECTIVE OF THE SEMINAR

Fast strides are being taken by the pharmaceutical industry and the academics the world over, and research related to drug discovery from synthetic and natural sources formulation, new dosage form developments, analytical methods, preclinical and clinical evaluation and regulatory aspects is being carried out. The seminar makes an effort to compile some of the related recent findings and highlight some of the major issues related to above topics in the form of plenary lectures from expert dignitaries in the field of pharma industry and education and industry from all over India, and at the same time give a platform for a young researcher to reach out to and develop insights into all the related issues with thrust on regulatory aspects.

ABOUT THE INSTITUTE

Chitkara College of Pharmacy was started in 2005 by the Chitkara Education Trust, Chandigarh, under the guidance of renowned academicians Dr. Ashok Chitkara and Dr. (Mrs.) Madhu Chitkara. The institute is affiliated to Punjab Technical University Jalandhar and the campus has institutions including Chitkara Institute of Engineering and Technology, which are ISO certified. The campus is hosting AICTE approved degree level courses in Pharmacy and the disciplines of Electrical Engineering, Computer Science and Engineering, Electronics and Communication Engineering and Mechanical Engineering, and Postgraduate level courses of MCA and MBA. The institute has highly qualified faculty, well equipped laboratories, high speed internet facility and a very well equipped library.

ABOUT PHARMANEXT

Today’s pharmacy student is tomorrow’s Pharmacist and he needs professional guidelines with necessary support. Keeping all these facts in mind, we a group of pharmacy professionals had launched a magazine “PHARMANEXT” which is 100% student focused. It will cover all student focused areas in pharmacy profession and will serve as pathway for fresh pharmacy graduates & students.

This publication aims to bring the information useful to pharmacy students & young professionals and help them to shape up their career. This magazine is a best tool for the pharmacy students, by reading the informative articles, students can measure how much they already know and more importantly, what they need to learn about pharmacy profession, how to prepare for pharmacy career, how to put together a CV, the interview protocol, and what it means to be a professional.
ABSTRACT SUBMISSION

- Abstracts highlighting research in the following areas are invited:
  1. Basic Pharmacological and Clinical Research
  2. Herbal drug research and analytical techniques
  3. Pharmaceutical Technology and NDDS
  4. Regulatory issues for pharmaceutical and herbal products

- The abstract should be structured as per the presented format. It should be complete with the subheadings - Title, Authors, Address, Objectives, Methods, Results and Conclusions. References are not needed for abstracts. Incomplete abstracts or those not appropriately structured will be rejected. The TITLE should be written in capitals. Name of authors should start with surname, followed by initials of first and middle name. List no more than 5 authors. Underline/Highlight the name of presenting author and mark with asterix. The main body of the abstract should not exceed 250 words and must be prepared in a standard format with clearly outlined Objectives, Methods, Results and Conclusions. Type in single space with font Times new Roman and letter size 12 in the Abstract. Use high quality black inkjet or laser printing or electronic typing only. Handwritten abstracts cannot be accepted.

- Acceptance of the Abstracts will be notified by email before 15 September. However, the acceptance will be provisional until the registration fee is not deposited by 30 September 2009 essentially in the form of a Demand Draft in the favor of “Chitkara College of Pharmacy, Rajpura” payable at Chandigargh.

- Abstracts for all Conference presentations will be published as the Proceedings of the Conference. The Program Committee will select some presentations for the oral program from the submitted abstracts and will notify those authors. Other submissions will be offered a poster presentation.

Abstracts can be submitted online to inderbir.singh@chitkara.edu.in and abstract.araph@gmail.com

Deadline for abstract submission: August 30, 2009

Abstract submission:
Mr. Inderbir Singh
Vice Chairman, Scientific Committee
Mob: 09855024140/ 09216273470
E-mail: abstract.araph@gmail.com, inderbir.singh@chitkara.edu.in
POSTER GUIDELINES

Posters should be prepared as per following guidelines.

- **Title:** Use a title representative of the scientific contents of your research work. **Introduction and research question:** followed by. State what is known, what is unknown, your research question and experimental approach. **Materials and Methods:** Explain what experiments/techniques you used in order to answer your research question. State the function of every technique/measurement and if necessary, explain why you have chosen certain techniques. Remember to keep confined to essential details. **Results:** Only report results that are relevant to your research question. Results may include a few data, but most data should be given in clear figures & tables, these are more accessible for the audience. **Conclusion:** Give the answer to your research question. **Discussion:** One sentence. (Optional). **Future prospective:** State the future prospective if your research shortly.

References/Funding

POSTER LAY-OUT

- Use a simple font (Times New Roman) and make sure the letters aren’t too small. Use contrasting colors in your slides, and not too many. Highlight the essential topics of the poster. Keep a nice legend with your graphs/figures. You can let your results be known by using a header of graphs/figures. Always make a test print of your poster. You can give your audience a handout or printed sheet of paper containing the main points and ‘take home message’ of your study but its not mandatory.

ORAL PRESENTATION

(Only for abstracts selected for oral presentation)

Presenters will be given 10 minutes to present their research if selected for an oral presentation:
7 minutes for presentation and 3 minute for discussion.

Please mail your PowerPoint presentations to the Organizers at least 15 days prior to first day of the conference. Bring your presentation on a CD/ USB drives as backup.
Use same guidelines as for poster presentation for preparation of power point slides.

Tips for preparing the presentation: Headings and subheadings should follow a visibly apparent hierarchy. Use a simple font of size, large enough to be visible. Use approximately 8-10 lines per slide. Put up only the key points and ideas of your study in the slides, leave out any details that do not have a bearing on what you want to say to the audience. Animation is a good tool to reveal information sequentially. But please avoid animation as visual effects. It will be an unnecessary distraction and might slow down your presentation. Try not to exceed a maximum of 15 slides (including your title and Thank you).
Local Organizing Committee (LOC)

Patron
Dr. Madhu Chitkara
Director Gen. Chitkara Education Trust

Advisors
Prof Dr. K. K. Bhutani
Head and Dean, Natural Products

Prof Dr. A. K. Tiwari
Head Deptt of Pharmaceutical Sciences and Drug Research, Punjabi University, Patiala
