Organized by

in Collaboration with

CHITKARA SCHOOL OF APPLIED SCIENCES

ABOUT THE CONFERENCE :

International Conference on Mathematics & Engineering Sciences – 2014 is designed to impart and institute pioneering trends in the fields of Mathematics and Engineering Sciences including their manifold applications. Proceedings of the Conference would treat by its Special Research Talks, Research Contributions in the form of Technical Paper Presentation Sessions and Poster Presentations devoted to Mathematics and Engineering branches and disciplines related to Theoretical, Applied and Application Sciences.

ABOUT THE JOURNAL :

Engineering Sciences International Research Journal powered by a strong Editorial Board expertise from different countries stitches the original research papers received in the Conference to set a bench mark in the field of research publications. Engineering Sciences International Research Journal is a Bi-annual Journal with Print ISSN 2320 – 4338 and Online ISSN 2320 – 3668 which is on its toes setting a record by completing the double blind review and providing the Journal in the conference to those whose modified versions are received on time, in the series of IMRF Journals.

ABOUT IMRF :

INTERNATIONAL MULTIDISCIPLINARY RESEARCH FOUNDATION (IMRF) is an Academic Research Association of Scholars, Academicians and Scientists from India and Abroad committed to promote value and ethical research in the young research scholars and modern society. IMRF serves different subjects under the Sub-Subjective Associations and the Sub Teams who organize International Conferences in their respective subjects purely to impart and institute ethical research. Also, IMRF exclusively is strongly committed to promote EDUCATION FOR EVERY CHILD (EFEC) programs free in remote agencies, for economical poor background individuals, conducts awareness programs in remote agencies, villages and slums to encourage young people towards higher studies along with guidance to choose right course of study depending on their calibre and merit.

ABOUT CHITKARA UNIVERSITY :

Chitkara University is a leading non-profit private University of Chandigarh with campuses in Punjab and Himachal Pradesh. It has been in the forefront of higher education in North India and boasts of a learning environment that represents a unique blend of distinguished faculty, brilliant students with strong industry collaborations and extensive partnerships with International Universities. Our major academic programs are consistently ranked among top 50 in the country that speaks volumes about our enduring commitment, strong academic heritage and innovative teaching practices.

Chitkara University has established an unassailable reputation for strong campus recruitment on the sheer virtue of our intensive focus on making all our graduates 'industry ready'. Whether you want to broaden your mind, advance your career, increase your knowledge, travel the globe or change the world, Chitkara University can provide you with an opportunity and real life skills to do it.

TRAVEL & ACCOMMODATION :

Chandigarh is a beautiful city located near the foothills of the Shivalik range of the Himalayas in northwest India. Chandigarh is well connected by road by NH-22 (Ambala - Kalka- Shimla) and NH-21 (Chandigarh - Leh), and has both a railway station and an airport connecting all parts of India. Chandigarh covers a very wide range of hotels and other accommodation facilities to suit every budget. Apart from hotels, there are a large number of guest houses and lodges that provide accommodations at very competitive rates. Details of hotels, guest houses, and lodges will be kept available at the conference website shortly. Registered participants of the Conference are advised to contact the hotels, guest houses, and lodges directly and book their accommodation, however in case of any difficulty, we can assist on your prior request. Accommodation is available in Students' Hostel of Chitkara University.

VISA FOR ABROAD PARTICIPANTS :

We request all the abroad participants to apply for Tourist Visa while coming for this International Conference on Mathematics & Engineering Sciences – 2014.
