ABOUT CU-TURACOZ COLLABORATIVE CENTRE AND SKILL DEVELOPMENT PROGRAM

- Turacoz Skill Development Program (TSDP) is an initiative of Turacoz Healthcare Solutions, a knowledge partner for medical evidence creation and writing documents for pharmaceuticals, biotechnology companies, publishing houses, societies and associations and academics. Turacoz team consists of well-experienced medical writers, editors, reviewers, business development experts, statisticians, project managers, social media and digital marketing experts, analytics, management information system experts, and healthcare professionals with expertise across all major therapeutic areas and various types of job requirements. TSDP brings together the current industry requirements for skilled professionals at entry, mid and high level and provides customized training solutions with the help of our experts on the panel and the team. The trainings cover the requirements of different positions/resources required in different industries including service industries like medical communication companies, healthcare KPO/BPOs, journals, hospitals, pharma industry, healthcare event management companies, universities/colleges, etc.
- **CU-Turacoz Collaborative Centre for Medical Writing and Pharmacovigilance has been established at Chitkara College of Pharmacy, Chitkara University, Punjab and carries on projects and skill development in above areas**

ABOUT THE INSTITUTE

Chitkara College of Pharmacy was started in 2005 by the Chitkara Education Trust, Chandigarh, under the guidance of renowned academicians Dr. Ashok Chitkara and Dr. (Mrs.) Madhu Chitkara. Chitkara Educational group campus is located at Jhansla, Rajpura and the campus has institutions including Chitkara College of Pharmacy, Chitkara Institute of Engineering and Technology, Chitkara School of Planning and Architecture, Chitkara School of Education, Chitkara School Hospitality Management, Chitkara Business School. The different institutes have relevant accreditations including National Councils, ISO and NAAC. The campus is hosting degree and Post degree level courses in Pharmacy, Electrical Engineering, Computer Science and Engineering, Electronics and Communication Engineering and Mechanical Engineering, Architecture, Education, Management, Media and Health Sciences. Chitkara College of Pharmacy has courses B. Pharm, M. Pharm, Pharmacy Practice, Pharm D, Pharm D (PB) and Ph. D approved by AICTE, PCI & UGC and affiliated to Chitkara University, Punjab. The institute has highly qualified faculty, well equipped laboratories, high speed internet facility and a very well equipped library. The college has comprehensive research portfolios with more than 27 patents, 350 publications, 150 PG thesis and Ph.D program going for making it a premier centre for higher education in Pharmaceutical Sciences. The academic system of Chitkara College of Pharmacy has been framed taking into consideration the responsibility of students to meet the demands of hi-tech pharmaceutical industry, at the same time

ensuring that they confidently serve the requirements of patient care and pharmacy practice. Since its inception, Chitkara College of Pharmacy has made conscious efforts to inculcate research aptitude in its students at all levels to keep them abreast of the requirements of the industry. The efforts are visible in the sizeable number of publications at both national and international level. Through the years, the Institute has been able to establish strong bonds with the industry at local as well as national levels for training and placement activities.
